Dear Ms. O'Hare:

We have two students at South Lincoln School who showed up FD and SPED. We have been working on this all day, but we are not sure if WE miss coded or if is an error somewhere else. Do we need to do anything? Because FD cannot be counted as SPED, we know it is an error. We have been unable to find out whose error it is . . . ours or how the information was pulled.

These corrections were previously made in Edtools. We have discovered that once again, they are listed in the numeric file.

Sincerely,

A handwritten signature in black ink that reads "Wanda Shelton". The signature is written in a cursive, flowing style.

Dr. Wanda Shelton
Director of Schools
